Fair Housing includes Access for All: A Fair Housing Game™ where students experience a variety of interactive scenarios from the role of a real estate licensee and a principal. Access for All: A Fair Housing Game™ illustrates how fair housing, discrimination and implicit bias plays out in actual practice, so real estate professionals can recognize it and take the appropriate actions to ensure California's real estate market remains fair and equitable. **Exam:** 1 15-question exam, 15 minutes allowed.
