California Bureau of Real Estate (CalBRE) 15-Hour Multimedia Continuing Education Course Instructions

***To access online content, go to firsttuesday.us. Log in with your 8-digit CalBRE license number, and last name (not case sensitive).**

STEP 1: Your course outline

Your 15-hour continuing education package consists of five three-hour courses:

15 Hrs of Agency, Fair Housing, Trust Funds, Ethics and Risk Management	(5) 15-question quizzes	(5) 15-question exams
---	-------------------------	-----------------------

Agency, Fair Housing, Trust Funds, Ethics and Risk Management. Each course consists of one quiz and one exam.

STEP 2: Read the materials and meet your minimum study time

Course reading materials are available 1) in the printed book or 2) online* by clicking on the book title in your course outline. Course reading materials are available online* immediately after enrollment. The minimum study time for your 15-hour package is **three days**. The first day of your study time is your course enrollment date. After three days, and provided the corresponding quizzes have been taken, you are eligible to take the exams.

STEP 3: Take the quizzes

The quizzes are mandatory and are available online immediately after enrollment. The quizzes are not timed and you are not required to pass them. The quizzes may be taken as many times as you like. The quizzes are taken online* by clicking on the "Take Quiz" links in your course outline. Feedback on your quiz performance and quiz answers are provided after you complete each quiz.

STEP 4: Take the final exams

Before reviewing any course material online, CalBRE requires you to acknowledge, under penalty of perjury, that you are the person enrolled, and you will be the only person to complete the course.

You must pass all exams to receive 15 hours of continuing education credit. The exams are multiple choice, and open book. Each course exam becomes available only after you've met the minimum study time and taken the corresponding quiz. The maximum time allowed is **one minute per question**. The exams are available online* by clicking on the "Take Exam" links in your course outline. The online exams are graded instantly upon completion. The passing score for each exam is 70%.

A backup exam is available immediately if you fail the original exam for any course. The backup exam covers the same course material as the original exam, but the questions are not the same. If you do not pass the backup exam, your course is automatically reset. If a course is reset, you are required to wait the minimum study time and retake the quiz for that course before you receive two more attempts at the exam. There is no cost for a reset during your one-year enrollment.

STEP 5: Receive your certificate and renew your CalBRE license

Once you pass the exam for your courses, the Certificate of Completion becomes available online* under the "Certificate" section of your course outline. You are responsible for reporting your course completion to CalBRE. CalBRE doesn't accept course completions directly from schools. CalBRE forms, fees, addresses and application instructions are available at firsttuesday.us under the "Continuing Education" menu. Choose either "Sales Agent Renewal Forms and Instructions" or "Broker Renewal Forms and Instructions." To contact CalBRE directly, call 877.373.4542 or visit bre.ca.gov.
